3. Conference: Émilie Du Châtelet's Foundations of Physics
(Department of Philosophy, University of Notre Dame, April 26th-28th, 2018)
In 2009, Isabelle Bour and Judith P. Zinsser published a partial translation of Émilie Du Châtelet's Foundations of Physics. Since 2014, faculty and students at the University of Notre Dame have worked to complete the translation. This conference celebrates the completion of the project.

5. Libori Summer School 2018: The 2nd Libori Summer School on Women Philosophers and Scientists (Paderborn University, July 29-August 3, 2018)
In these parallel, intensive courses, featuring experts in the specific areas, we challenge the philosophical canon by showing how to incorporate the ideas of women philosophers and scientists via their texts and discuss new issues and topics in the field.
