1. Workshop: The Idea, History and Institutional Foundations of Science  
(Maynooth University, December 9th, 2017)

This workshop (No. 2) is organized as part of a research project that focuses on the philosophical and institutional foundations of ‘scientific empiricism’, i.e., the association of rationality with systematic models which are compatible with experience and/or experiments.

#### 4. Colloquium: Early Modern Women Writers' Colloquium

(Department of English Studies, University of Cyprus, Northern Arizona University, CVAR, Othello's Island, March 25th-27th, 2018)

Now in its second year as a strand within the annual academic conference "Othello's Island", the Early Modern Women Writers' Colloquium has demonstrated the interest in developing a regular annual event dedicated to exploring the lives of women writers in the Renaissance and early modern periods.
